Día de los Muertos: Journey of the Butterflies

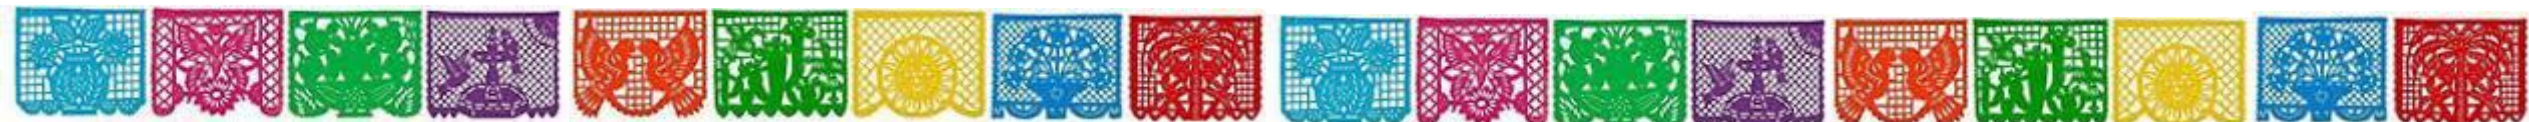

Artist Recognition

Thank you

Thank you to everyone that participated in this year's *Día de los Muertos: Journey of the Butterflies* exhibition. 2020 has been an unprecedented year and while our doors remain closed to the public, the Museum is committed to continuing its exhibition and programming schedule. Museum staff is working diligently behind the scenes to present quality virtual exhibitions on our new website, **OntarioMuseum.org**. We would not be able to do this without the support of the Community Life & Culture Agency, Museum Board of Trustees, our community, and wonderful artists.

Ornament Contest

Ornaments submitted by participants from the city-wide contest are on display in the exhibition. This is a collaborative project made possible by the City of Ontario's Community Life & Culture Agency.
