

Exhibition Checklist

This exhibition is an assortment of framed artworks, ten canvas banners, silk banners, and sintra text panels. Additionally, there is one replica guard tower. Below is the recommended order to hang the artwork but the exhibition content is flexible so that the artwork can be placed in any order within its section to fit your gallery space. All sizes are height x width (and depth when necessary). All sizes are in inches.

List includes object, material, and dimensions (framed) h x w.
